

MARCHIONE SIGNS AT IDAHO STATE

Taylor Marchione, a senior shortstop at Southridge High School, signed an NCAA I National Letter of Intent to attend Idaho State University in Pocatello, Idaho. Marchione will play softball for the Bengals, a program that has just joined the Pacific Coast Softball Conference.

Taylor is a four-year starter for the Skyhawks, the final three at shortstop. She is a four-time all-Metro League selection, including first team in 2009. She assisted the Skyhawks to OSAA playoffs in each of her four years.
